(Autonomous), Kolkata

Birthdate: 22/01/1992

Email id: joyitabanerji@gmail.com, joyitabanerji@sxccal.edu

Contact: 9339419808

Prof. Banerji is a student of Finance and its anomalies. She specialises in the field of Behavioral Finance and decision-making. Her areas of research interest lie in how human beings make choices and whether these choices can be improved for the better with real-life benefits. She is passionate about promoting creative thinking among students and encouraging them to form their own opinions about current events in the world and how they affect the collective population. She has pursued her graduate and undergraduate studies in finance, and her doctorate in Behavioral Economics and Personality Psychology.
